DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant's Amendment and Remarks filed September 9, 2005 and May 25, 2006 are acknowledged. However, it is noted that Applicant's response does not comply with 37 CFR 1.111(b) which states, "In order to be entitled to reconsideration or further examination, the applicant or patent owner must reply to the Office action. The reply by the applicant or patent owner must be reduced to a writing which distinctly and specifically points out the supposed errors in the Examiner's action and must reply to every ground of objection and rejection in the prior Office action". It is noted that in the prior Office Action mailed July 27, 2005, claims 1, 3-6, 8, and 13-16 were rejected under 35 U.S.C. 102(b) as being anticipated by Graham et al. (Journal of Pharmacology and Experimental Therapeutics, 1998 Vol. 286:447-458). In Applicant's Amendment and Remarks filed September 9, 2005 and May 25, 2006, Applicants have not replied to this grounds of rejection.

For any response to be considered fully responsive, Applicants must reply to every ground(s) of rejection in the prior Office Action as required by 37 CFR 1.111(b).

See 37 CFR 1.111. Since the above-mentioned response appears to be bona fide, Applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Terra C. Gibbs
